“

I sincerely appreciate the services provided by Rapid and do hope to continue our excellent working relationship.

Peter Lee, Teras Offshore

“

I am particularly impressed with the promptness and enthusiasm shown by their team towards our requests.

Jon Durana, Captain, Seven Borealis

Our logistics division provides a one-stop-solution to meet all logistics needs, whether transporting cargo within the Gulf, or relocating an offshore drilling platform across the seas; we have the expertise, experience and commitment to execute such services.
